

Pink Ribbon Day

The Pink Ribbon is the official trademark of the National Breast Cancer Foundation (NBCF)

Pink Ribbon Day is the signature day of the NBCF and is officially the fourth Monday in October. October is also internationally known as Breast Cancer Month. Our Student Council chose this important foundation to support in 2007 by holding a special **Pink Day** on Tuesday 30 October. They raised \$166 for the National Breast Cancer Foundation, had a great day and learnt why Breast Cancer is such a terrible disease and deserves everyone's support to rid it from our community.

The staff held a pink morning tea and a raffle to support research into Breast Cancer, a disease that has touched the Kingsthorpe School over time.
